Various Points in State.

[Special to The Times-Dispatch.]
DANVILLE, April 24.—Considerable
local interest was aroused here by the
news that Governor Davis had appointed
E. Walton Brown, of Danville, to the
position of judge of the new circuit
court. Mr. Brown, now only thirty-five
years of age, is the youngest man ever
appointed to that position in the history
of the state. He has been practicing
law here for two years. The appoint-
ment was made by Governor Davis after
he had received the endorsement of the
lawyer's association. Mr. Brown is a
graduate of the University of Virginia
and has been in the law office of
Messrs. Brown, Brown & Brown, of
Danville, for the past two years. He
is a native of Danville and has been
in the law office of Messrs. Brown,

Demonstrate Farm Trucks.

FREDERICKSBURG, April 24.—M.
S. Chancellor gave a demonstration of
a four-cylinder Kerosene International
tractor on the farm of W. T. Per-
son, in Stafford County, three miles
from the city, on Wednesday. Many
farmers from various sections were
here to see the machine in operation.
There were two tractors, each drawing
two plows, making furrows 16 inches
deep. The machines were in a field
of fifteen acres and the soil was rapidly
turned. At intervals one of the
tractors was stopped and the engine
was run at high speed. The largest
crowd was there in the afternoon.
Many of the farmers of the Fredericks-
burg Union, which held a session at
Berea in the morning, came down after
the dinner hour and watched the work
of the tractors. One of these tractors
with the plows attached can turn up
from eight to ten acres of land in ten
hours.

Three Stilts Raided.

LYNCHBURG, April 24.—Deputy In-
ternal Revenue Collector Q. T. Wood,
of Lynchburg, and State Probation
Inspector W. T. Shelton, of Chatham,
Tuesday raided and destroyed three
stillts, two of which were located in
Pittsylvania and the other in Camp-
bell County. Two of the stillts were
complete, but the third, in Campbell
County, was minus the cap and
worm, which had been removed after
a very recent run. One of the stillts
was located five miles west of Sym-
more; another a mile from Clarion
and the other four and one-half miles
north of Toms. No arrests were made
at their place but these are expected
to be made later.

Catching Many Fish.

FREDERICKSBURG, April 24.—Bob
Jennings has cut out at the Passapatan
fishing shores, on the Potomac,
and Al Fausch has moved his camp
from Marlboro to the Tump. All the
seines on the Potomac and creeks are
now catching plenty of herring. The
prices are much lower. In this
market fresh Potomac herrings are
selling at from \$1 to \$1.25 per
dozen. Clipped herrings are \$1.25
to \$1.50 per 1,000. Shad, rock and perch
are scarce. Roe shad bring 21 cents
per pound. Rock and perch are 25
cents per pound. The fish are in
abundance on the Rappahannock River,
are having the best season they have
experienced for years.

Slain With Iron Bar.

DANVILLE, April 24.—The bar

May Provide Hospital.

LYNCHBURG, April 24.—A move is
being made in Marshall Lodge of
Masons here to incorporate the Home
and Retreat, a hospital maintained by
the lodge for thirty years, and en-
able it to be considerably enlarged
and improved as a memorial to Lynch-
burg men who died during the war.
The project has been under discussion
for a long time and a committee on a
draft of the charter will report May 1.
The purpose is to raise a fund of at
least \$100,000 to convert the hospital
into a memorial, as well as to en-
large it.

Paperhangers Organize.

BRISTOL, April 24.—A meeting
held here yesterday a local union of
paperhangers and painters was or-
ganized. The following officers were
elected: R. L. Pope, president; H. M.
Green, vice-president; Lofton Cox,
recording secretary; Stuart Mercer,
financial secretary; and A. C. Vires,
treasurer. Twenty-three local paint-
ers and paperhangers are members of
the newly-formed union, which will
be a member of the Brotherhood of
Painters, Decorators and Paperhangers
of America.

Teachers Elect Officers.

LYNCHBURG, April 24.—The Lynch-
burg Teachers' Club have elected the
following officers for the remainder
of the session: President, Miss Mary
Bloss; vice-president, Miss Lucy
Brown; treasurer, Miss Dorothy Con-
rad; corresponding secretary, Miss
Pete Sterling; recording secretary,
Miss Susie Holt. The club is now en-
gaged in an effort to secure a 12-1/2
per cent increase in pay from the city
council, having asked an additional
appropriation of \$15,000 to be applied
to this.

Organizing Boys' Clubs.

KILMARNOCK, April 24.—John F.
Monroe, representing the United States
Department of Agriculture, and acting
as agricultural demonstrator for the
county of Richmond, yesterday was
in the county of Richmond, Westmore-
land, Northumberland and Lancaster.
He is engaged in organizing corn clubs
among the boys of the schools of this
section. He visited Kilmarnock High
School today and addressed the teach-
ers and pupils on the subject.

Suffers Paralytic Stroke.

BRISTOL, April 24.—W. T. Sullivan,
who was the first policeman in Ten-
nessee, Bristol, and a Confederate
veteran, has suffered a stroke of pa-
ralysis and is confined to his home
here. Mr. Sullivan is about seventy-
four years old and has been a citizen
of Bristol for many years.

Raise Pastor's Salary.

FREDERICKSBURG, April 24.—The
official board of the Methodist Epis-
copal Church South at a meeting
here last night increased the salary of
the pastor, Rev. H. L. Hunt, by \$200.

Consider America's Trade Expansion.

[By Associated Press.]
CHICAGO, April 24.—The practical
aspects of expanding the foreign com-
merce of the United States was taken
up by experts at the Sixth National
Foreign Trade Convention, which was
called to order here today. The dele-
gates who are men of large affairs
from all over the country, will be in
session three days.

Constant Headache and Much
Soreness and Pain Nearly Got
the Best of This Harrisburg
Lady, But Cardui Made
Her Well and
Strong.

Harrisburg, Ark.—Mrs. J. M.
Needham, living near here states:
"When I began working on me I
suffered a great deal. I had so
much soreness and pain in the lower
part of my body I could hardly get
up when I was down. I would have
severe pains all across my back,
and my sides hurt me all the time.
I would have headaches constantly,
especially the back of my head and
neck. I was almost discouraged
with my condition when I thought
of Cardui, and decided to see what
it would do.
I saw an improvement at once
after the first bottle. I kept it up
and the result was wonderful. I
took altogether four bottles. I grew
stronger, better appetite, less pain
until I was well. I think Cardui is
a God-send to suffering women, and
I certainly can praise it, and do so."
For more than 49 years Cardui
has been in general use, and in that
time thousands have written to tell
us how it helped them back to health
and strength.

CLEAN THE BLOOD

Taken from Nature—The wild roots and barks that go into the
composition of one of the oldest and best known blood tonics are
mostly gathered by the Indians on our reservations—brought or
shipped to Dr. Pierce's Laboratory in Buffalo, N. Y. Over fifty
years ago Dr. Pierce put up an alternative tonic without the use of
alcohol that soon became known all over the world.
The spring is the time of the year we should put our house in
order. We're run down after a hard winter—after grippe, colds,
catarrh. It's time to take Dr. Pierce's Golden Medical Discovery,
purely vegetable and free from alcohol or narcotics. It will search
out impure and poisonous matter and drive it from the system. Buy
it now in tablets or liquid.
It will clear the skin; eruptions, pimples, rash, blotches will dry up
and disappear; boils, carbuncles and other evidences of tainted blood
will pass away, never to appear again.
Dr. Pierce discovered 50 years ago, that Nature has provided
freely for these needs of her children and that in her laboratory were
the remedies. Extracts of Queen's root, Stone root, Black Cherry-
bark and Bloodroot, as prepared, combined and preserved without
alcohol, in Dr. Pierce's Golden Medical Discovery, constitute the most
effective and certain tonic, alterative and tissue-rebuilding remedy
ever offered to the public.

EIGHTIETH TO RETURN TO CAMP LEE MAY

Such Is Statement Made by Major
Charles M. Jones, Former
Adjutant.

TO LAND AT NEWPORT NEWS

Division Suffered Few Casualties and
Morale of Men Is Reported Ex-
ceptionally Good, Although All
Are Anxious to Return.

[Special to The Times-Dispatch.]

CAMP LEE, Va., April 24.—That the
Eightieth Division will absolutely re-
turn to its time of its departure from
France will be around May 1, was the
statement made here this afternoon by
Major Charles M. Jones, former adju-
tant of the division, who returned to
America only a week ago.
The organization, Major Jones said,
was now in the Le Mans section, the
debarcation area in France for
American troops, having been retired
from advanced territory on April 1.
It is in this area that the men are pre-
pared to be sent to the embarkation
camps, and, as a general thing, he said,
they remain there about one month be-
fore leaving for Brest or other French
seaports. Major Jones said the men of
the Eightieth were more or less idle
at the present time. They drill about
an hour each morning, the rest of the
day being spent in loading, although
considerable time is given by some
to cleaning of equipment and the
straightening out of administration
papers.

Other Units Are Coming.

With the exception of the Three
Hundred and Nineteenth and Three
Hundred and Twentieth Infantry Regi-
ments, the remaining units of the
division will come to Lee, Major
Jones said. Even at this, he continued,
the two infantry outfits may not be
separated from the command and will
also come here. His reason for this
was that railroad facilities were so
congested at Camp Meade and Camp
Meade that the War Department might
make a concession and let the Penn-
sylvania doughboys be mustered out at
the birthplace of their training.
Major Jones was of the opinion that
part of the organization would embark
at Newport News, while other units
would be landed at Brest.

Men Anxious to Return.

The former adjutant said that, while
there was an incessant desire among
the men to return to America, they had
not become impatient, and that their
morale was very high. According to
Major Jones, the casualties of the
Eightieth were not exceptionally heavy,
considering some of the terrific en-
gagements in which it took part.

"FEEL BETTER THAN I HAVE IN YEARS"

James W. Calhoun Says Dreo
Deserves All the Praise He
Can Give It—Tells What
One Bottle Did.

"I want everybody to know what
Dreo did for me," declares James W.
Calhoun, the highly respected farmer
of North River, in a signed statement.
For many years I have been a suffer-
ing victim from indigestion and all the
many little ills that go with it. Ed-
ing was a torture. Nothing seemed to
digest in my stomach, and I soon lost
my appetite, became bilious and terri-
bly constipated and my system ran
down to the very bottom.
"Then came a friend who showed me
some clippings from the newspapers
telling what Dreo was doing for other
people. I bought a bottle in the same fix as me.
I laughed at him because I had never
tried anything and didn't believe
anything in the world could bring me
any help. But he insisted that I try at
least one bottle of this medicine, and
I did. Believe me, I am the happy man
now that I took his advice. Dreo de-
serves all the praise I can give it be-
cause it has made me feel better than
I have in years and years. Just one
bottle seems to have wiped out all my
troubles, and I can now eat almost
anything without a pain afterwards.
My appetite is wonderful, and I am
gaining in flesh right along.
"I feel it my duty to pass the good
news along to other sufferers just as
my good friend did for me."
Dreo is a harmless, quick-acting
herb medicine that brings quick re-
sults no matter how far advanced the
case may be. It goes to go right
straight to the root of the trouble and
builds up the blood, nerves and system
from the bottom.
With the stomach in good working
order there is little chance of diges-
tion and sickness attacking the human
system through that route.
Dreo is sold throughout this section
by almost every modern pharmacy, and
is particularly noticeable in Rich-
mond by Traylor's Drug Store, Har-
rison Drug Co. (two stores), Chelf's Drug
Store, Broad and Harrison; E. A. Mor-
rison, Petersburg; George's Drug Store,
Hopewell.—Adv.

About 6,000 dead and wounded would
cover the total major casualties.
Major Jones, it will be remembered,
was at one time insurance officer at
Camp Lee. He formerly belonged to
the Pennsylvania National Guard, and
served as an enlisted man with that
command during the Mexican trouble.
His rise in military circles and the
high position which he held in France
was beyond the usual.

New Order Received.

A telegram from the adjutant-
general of the army received at these
headquarters today orders that a per-
centage of the enlisted personnel of
various Camp Lee organizations should
be replaced by civilians at the dis-
cretion of the commanding general.
This order applies to all camp head-
quarters organizations with the ex-
ception of the office of the camp per-
sonnel adjutant. Other Lee units ef-
fected by the telegram are the fol-
lowing: quartermaster corps, utilities,

camp sanitary detachment, fire truck
and hose company and service bat-
talions. The One Hundred and Fifty-
fifth Depot Brigade is excluded from
the list.

Hoover has not been away from Paris
for weeks. He is unable to account for
the report unless he is being imper-
sonated.
A Berlin dispatch Wednesday said
Mr. Hoover had arrived in Berlin with
a large staff.

KELLY-SPRINGFIELD CATERPILLAR TIRES

THE truck tire with toes—a brand new
principle, invented and patented by this
Company—accepted at once by the largest
users of heavy trucks in the world. Under
a load, the toes spread until they touch, giv-
ing ample room for the flow of rubber and
avoiding the "traction wave" which breaks
the back of a tire. Maximum resiliency
and unparalleled wear on the heaviest runs
of the heaviest trucks.
